promoting the value of play

Chain for use on play equipment as per AS4685

Chains for playground equipment shall conform to AS2321 as a minimum, and have a maximum opening of 8.6mm in any one direction except where connections are made, where the maximum opening shall be greater than 12mm or less than 8.6mm

If they are sheathed then the covering needs to be able to be removed to check the chain links for wear.

Barbara Champion
Executive Director
