Global Humane Education Leader

# Zoe Weil

## “The world becomes what you teach” Workshop

Are you concerned about:

Environmental destruction ?

Human oppression ?

Animal cruelty ?

Escalating materialism ?

Never before have we had the opportunity to effect widespread change to alleviate suffering and injustice in the world.

**Discover how to effect positive and meaningful change to help create a better world.**

From the U.S., Zoe Weil is an internationally renowned speaker, co-founder, award winning author and president of the Institute for Humane Education. She has given several TEDx talks including her acclaimed TEDx talk “The World Becomes What You Teach.”
